

Notes on the Piano Keyboard

Directions: Complete the following using the “Keyboard” trainer on www.musictheory.net.

1. Use the “Keyboard” trainer on www.musictheory.net.
 - Change the settings to include black key notes.
 - Complete the exercise without using the “helpers”. This will better prepare you for understanding the keyboard.
 - You will be tested on this material during the first week of school.
 - Complete 6 *separate* sessions of 50 notes each, or enough notes until you earn at or above 95%.
 - Turn in a minimum of **6 printed score sheets**.

Additional sessions will be counted as extra credit.

2. Write the note names for the following keyboard (black keys ABOVE, and white keys BELOW).
